JOBST Elvarex knee high L2-02-04

RAL CCL 2 (23-32mmHg)

Non-standard colour L-A008

SoftFit L-A016

T-Heel L-A010

Closed toe L-A001

1. Open your prescribing system, select patient & click **'Add Drug'** or **'Acute'**
2. Enter the code requested for the 'basic style' into the **'Name'** bar or select the **'Free text search'** option, input the code & click on the product description

(E.g. **L2-02-04** is the 'basic style' code for a JOBST Elvarex, CCL2, 23-32mmHg, Knee High, Slant open toe in Beige (this will also show as a 'Lymphoedema garment')

(If you are unable to view the full product description after entering the code, press the down arrow on your keyboard & this information will show below the code)

3. Adjust **Dosage & Quantity** as required
(JOBST Custom-fit garments come as single items, so if a pair is required, the quantity would be 2)
4. If only a 'basic style' code has been requested without any additional 'options', click **'OK'** or **'Issue'** and move to point 9

5. To add an additional 'option' such as Closed toe, SoftFit, T-heel or Non-standard colour (as shown in the example), click **'Add Another'** or **'OK & Another'**

(if more than one code is displayed followed by a letter, select the correct code that relates to the JOBST Elvarex 'basic style' required. E.g. a Closed toe for JOBST Elvarex is L-A001, L-A001S for JOBST Elvarex Soft or L-A001C for JOBST Confidence)

6. Adjust **Dosage & Quantity** as required
7. Repeat points 5 & 6 until each requested 'option' code has been added
8. Once completed, check all requested codes appear on the prescription & click **'OK'** or **'Issue'**
9. To place your order:
 - For **JOBST Delivered** orders:
 - Post printed prescription & JOBST Custom-fit measuring form to **JOBST Delivered***, or
 - Send prescription via EPS to **Daylong Direct**** & either post the JOBST Custom-fit measuring form to **JOBST Delivered*** or email to **jobstdelivered@daylongdirect.co.uk** or **dac.fj708@nhs.net**
 - If the health care professional has already provided the JOBST Custom-fit measuring form via **JOBST Online**, only the prescription is required by **JOBST Delivered**
 - For **Pharmacy** orders, provide printed prescription or send via EPS & provide the JOBST Custom-fit measuring form

*JOBST Delivered, FREEPOST, Unit 5, Heritage House, Cossall Industrial Estate, Ilkeston, Derby, DE7 5UD
**to nominate as dispenser, search either FJ708, DE7 5UD or Daylong Direct under 'appliance contractor'
