

PATH

Professional Accredited Training
for Healthcare Professionals

New from Essity

PATH is a gold standard education platform with a diverse selection of therapy areas and learning styles, to help you provide the best possible patient care.

New PATH Learning

Here at **Essity**, we are proud to support your education journey with different learning styles and a wide range of topics. Register today and take a look. We're confident, you'll enjoy learning with us.

PATH Learning Account

Easy access to self-learning:

- Create an account and add your chosen learning plans
- Learning plans contain a mixture of styles including e-learning, pre-recorded bitesize sessions and webcasts
- Choose the style(s) that suit you best or utilise them all to enhance your learning retention
- Your Essity Account Manager can supply links to education to quickly and easily add these to your learning plan

Therapy Areas

Learning Plans available in the following areas:

- Continence Care
- Lower Limb Management
- Lymphoedema Care
- Wound Management
- Orthopaedics
- Animal Healthcare

Live Sessions

Live bitesize sessions and masterclasses can be set up through the Essity Account Management team.
