Forward

It's just not a direction.

It's an attitude.

It's about not resting on our laurels,
but leading the way.

Forward-thinking is what makes us a leader in health, hygiene, and medical solutions.

Our extensive portfolio of leading therapeutic brands reflects the spirit of innovation we bring to everything we do.

We have the courage to lead, to break barriers, and to always push for better.

Better Products.

Better Service.

Better Value.

Better Outcomes.

Our wide range of therapeutic solutions, clinical expertise and world-class brands **mean one partner to support your needs.**

Orthopedics: **Actimove®**

Your advantage

Convenience

- One partner for a range of therapeutic solutions
- The right assortment tailored to your needs

Medical expertise

- On-going educational tools and support
- Quality products based on validated evidence for better outcomes
- Confidently recommend the right product

Our goal

Being your ally in better outcomes for you and those in your care.

Now and for the future.

ELASTIKON® by Actimove®

Soft cotton elastic tape, centerline for ease of application

ELASTIKON
by Actimove

- Reliable compression for support of sprains, strains and muscle injuries
- Soft cotton elastic tape conforms to joints such as elbows, knees and shoulders
- Allows skin to breathe and moisture to pass through
- Treatment of conditions which require limitation of movement, e.g. sprains, sports injuries
- Prophylactic use in active sport
- Retention of dressings and devices, e.g. post-orthopedic and general surgery or over a muscular wound

This Product Contains Dry Natural Rubber.

TensoSport®

Soft cotton elastic tape, centerline for ease of application

TensoSport® is an elastic adhesive bandage suitable for medium support or compression. Excellent stretch and regain provides firm, controlled compression and support. Fluffy non-fray edges prevent the bandage from rucking or marking.

- High adhesive properties
- Provides strong compression and long-lasting support
- Water repellent

TensoSport Elastic Adhesive Bandage – Boxed Packs

04414001	4 in x 5 yds	Beige	16 rolls/case

Caution: This product contains natural rubber latex which may cause allergic reactions

Tensoplast® LF

Tensoplast® LF is not made with natural rubber latex and assures the quality you trust. It provides flexible, strong support and compression thanks to its porous high-quality substrate. Its excellent stretch and adhesive molds and holds to any part of the body, keeping the bandages firmly in place even throughout lengthy treatment. Trusted patient comfort and compliance for those sensitive to latex make Tensoplast® LF the optimal choice for a wide range of indications.

- Permeable material
- High-quality elastic substrate
- Adhesive coating
- Yellow center line
- Not made with natural rubber latex

REF/BNR	Measurements	Color	UOM
7623200	2 in x 4.9 yds	Cream	12 rolls/case

1.2 LIGHTWEIGHT ELASTIC ADHESIVE TAPES

Lightplast® Pro

Tearable Adhesive Stretch Bandage

Lightplast® Pro is a tearable, elastic adhesive bandage, suitable for light support to compression. The unique fabric backing helps to conform to body movement. Ideal for all-purpose taping.

- Hand-tearable
- Excellent adhesion
- Light and close fitting

REF/BNR	Measurements	Color	UOM
76952	1 in x 5 yds	White	48 rolls/case
76953	1.5 in x 5 yds	White	32 rolls/case

72880	2 in x 5 yds	Black	24 rolls/case
72881	3 in x 5 yds	Black	16 rolls/case

This Product Contains Dry Natural Rubber.

1.3 NON-ELASTIC ADHESIVE STRAPPING TAPES

Leukotape® P

Rigid Strapping Tape

Leukotape® P is a high strength rigid strapping tape with a very strong zinc oxide adhesive. It is porous yet offers strong support for sprains and strains.

- Porous
- Easy unwinding tension
- High strength adhesive
- Ideal for patellofemoral taping

REF/BNR	Measurements	Color	UOM
76168	1.5 in x 15 yds	Beige	30 rolls/case

This Product Contains Dry Natural Rubber.

COACH® by Actimove®

Rigid Cloth Porous Adhesive Strapping Tape

- Support and conformity helps protect against sprains and injury
- High tensile strength
- Adheres securely yet tears easily by hand
- 100% cotton back cloth allows perspiration to escape
- Smooth and consistent unwind

COACH
by Actimove®

REF/BNR	Measurements	Color	UOM
5188	1.5 in x 15 yds	White	32 rolls/case (Speed Pack)

This Product Contains Dry Natural Rubber.

ZONAS® by Actimove®

Rigid Cloth Porous Adhesive Strapping Tape

- Prophylactic use in active sport
- Ideal for conditions requiring immobilization and support
- Highest tensile strength
- Adheres securely yet tears by hand
- 100% cotton back cloth allows perspiration to escape
- Smooth and consistent unwind

ZONAS
by Actimove®

REF/BNR	Measurements	Color	UOM
5104	1 in x 10 yds	White	144 rolls/case (12 rolls/box, 12 box/case))
5190	1.5 in x 15 yds	White	32 rolls/case (Speed Pack)

This Product Contains Dry Natural Rubber.

1.4 ADHESIVE PROTECTION SPRAY

Tensospray®

Adhesive Protection Spray

Tensospray® is an adhesive spray which leaves a thin protective film over the surface of the skin. This provides an ideal layer for adhesive bandages and tapes, promoting excellent traction and reducing skin trauma on removal. The product is not affected by disinfectant.

- Aerosol presentation makes for quick and easy application
- Provides a copolymer layer which improves the effectiveness of the strapping
- Protects skin and encloses hairs – aids comfort and reduces trauma of bandage removal

REF/BNR	Measurements	UOM
7160200	300ml/can	12 cans/case

1.5 KINESIOLOGY TAPES

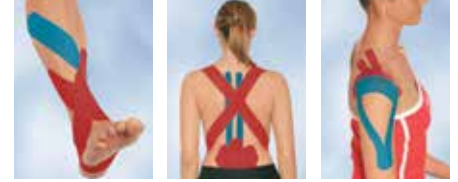

Leukotape® K

Kinesiology Therapeutic Adhesive Tape

The wave pattern adhesive of **Leukotape® K** allows air to circulate. It is stretchable and works ideally with the skin's natural elasticity.

- High wearing comfort and skin friendly, with a formulation not made with natural rubber latex
- Stays in place up to 9 days, even after showering or sweating
- Residue free removal
- Dermatologically tested

REF/BNR	Measurements	Color	UOM / Pack

1037043	4 in x 5 yds	● Beige	10 rolls/pack, 5 packs/case
1037053	6 in x 5 yds		

1.7 COHESIVE LIGHT SUPPORT BANDAGES

Co-Plus® LF

Cohesive Bandage

- Self-adhesive
- Non-slip support
- Hand-tearable in both directions
- End-of-bandage indicator for ease of use
- Not made with natural rubber latex
- Available in beige and color pack: neon pink, light blue, purple, neon green and red

REF/BNR	Measurements	Color	UOM
7210014	1 in x 5 yds	● Beige	60 rolls/box

7210020	3 in x 5 yds		24 rolls/pack
7210021	4 in x 5 yds		18 rolls/pack

1.8 TUBULAR SUPPORT BANDAGES

Tensogrip®

Easy to apply and help control edema

- Ideal for the light support of strains, sprains and soft tissue injuries
- Provides light support, light compression and dressing retention
- Constructed from a cotton/polyamide blend with natural rubber latex yarn

REF/BNR	Measurements	Color	UOM
7579	A - 1.75 in x 11 yds	White	1/roll
7580	B - 2.5 in x 11 yds	White	1/roll

Delta-Lite® Plus

Fiberglass Cast Tape

Delta-Lite® Plus provides extra rigid casts with smooth surfaces and edges. The advanced water activated resin system provides low tack properties allowing for ease of application.

- Smooth surface
- Rigid support
- Good conformability
- Excellent lamination
- Consistent and reliable working and set time
- Available in 11 colors and mixed packs
- Not made with natural rubber latex

REF/BNR	Measurements	Color	UOM

Delta-Cast® Conformable

Polyester Cast Tape

Delta-Cast® Conformable is an easy-to-use polyester cast tape that produces versatile, lightweight and strong casts with high conformability. Ideal for applications where patient fit and comfort are critical.

- High conformability
- Smooth finish and soft edges
- Rigid immobilization
- High radiolucency
- Excellent lamination between layers
- Excellent for FCT casting or removable casts
- colors and mixed packs
- Not made with natural rubber latex

REF/BNR	Measurements	Color	UOM

6605	5 in × 4 yds	White	10 rolls/box

Delta-Rol®

Synthetic Cast Padding

Delta-Rol® is made of breathable synthetic material. Its conformable stretch allows narrow widths fitting around small anatomies without cutting and tearing. Also available in sterile version.

- Conformable stretch
- Low linting
- Synthetic fibers
- Available in sterile version
- Not made with natural rubber latex

REF/BNR	Measurements	Color	UOM

6884	4 in × 4 yds	White	36 rolls/box
6886	6 in × 4 yds	White	18 rolls/box

Specialist®

Cotton Blend Cast Padding

Specialist® Cotton Blend Cast Padding has a unique micropleated design for excellent conformability, protection and ease of application without tucking or tearing.

- Micropleated construction provides excellent conformability
- Highly absorbent
- Cotton rayon blend
- Easy application

REF/BNR	Measurements	Color	UOM
9062	2 in × 4 yds	White	144 rolls/box
9043	3 in × 4 yds	White	72 rolls/box
9044	4 in × 4 yds	White	72 rolls/box
9046	6 in × 4 yds	White	36 rolls/box

Sof-Rol®

Rayon Absorbent Cast Padding

Sof-Rol® is a highly absorbent rayon material. This soft natural material creates a comfortable undercast surface for either synthetic or natural casting materials.

- Highly absorbent
- Easy application
- 100% viscose rayon
- Not made with natural rubber latex

REF/BNR	Measurements	Color	UOM
9052	2 in × 4 yds	White	144 rolls/box
9033	3 in × 4 yds	White	72 rolls/box
9034	4 in × 4 yds	White	72 rolls/box
9036	6 in × 4 yds	White	36 rolls/box

Delta-Dry®

Water Resistant Padding

The patented **Delta-Dry®** material offers water resistance. The open knit structure of the fibers accelerate drainage after submerging in water. The patient's body temperature will then evaporate residual moisture quickly through the airy mesh (high MVTR). In this way, cast and skin dry quickly and skin feels dry in about 90 minutes after daily hygiene.

- Allows patients to shower, swim, bathe and wash hands
- Helps reduce odor under the cast
- Excellent conformability to body contours
- Provides comfortable, fast-drying casts
- Not made with natural rubber latex

REF/BNR	Measurements	Color	UOM
7344300	2 in × 2.6 yds	White	12 rolls/box
7344301	3 in × 2.6 yds	White	12 rolls/box
7344302	4 in × 2.6 yds	White	12 rolls/box

AquaCast® Liner

Waterproof Cast Padding

AquaCast® Liner is a comfortable waterproof, breathable cast padding for use under waterproof casting materials. It is moisture vapor permeable and made with pillows and channels to enhance comfort and facilitate drainage.

- Quick drying of cast allows patients to bathe, swim and exercise
- Decrease odor and enhance hygiene with the ability to thoroughly wash and rinse skin
- Supports favorable skin condition following cast removal
- Less itching due to smooth material surfaces
- Less recasting due to wet or damaged casts
- Not made with natural rubber latex

2.4 CAST ACCESSORIES

Delta Terry-Net™

Adhesive Felt Liner

Delta Terry-Net™ Adhesive Felt Padding is an adhesive orthopedic felt, used for added patient comfort. Its adhesive backing makes attaching the padding simple and easy. It may also be used as a cast edge padding or to provide protection for bony prominences

- Soft orthopedic felt
- Adhesive back

REF/BNR	Measurements	Color	UOM
54012	23 in x 39 in	White	1 roll/case

Sifoam™

Adhesive Back Padding

- Offloads pressure around bony prominences
- Helps prevent shearing
- Is compressable
- Unloads weight

Zip Stick

Cast Removal Aid

This convenient cast aid provides additional patient protection during cast removal. The stick slides under the cast and provides a smooth path for scissors or cast saw. Standard and metric rule adds functionality.

American Orthopaedic™

Cast Cutter

The American Orthopaedic™ Cast Cutter provides precisely what is needed when needed: power, speed, quiet operation, durability, ease of operation and a balance of weight and power. Includes one 2.5" diameter multi-purpose blade and wrench.

- Balance of weight and power helps reduce user fatigue
- Internally lubricated for longer service
- Designed for rugged use
- Switch is designed and placed so that it will not break if dropped
- Hex drive provides six (6) blade rotations extending blade life by 50%

ORTHO-GLASS®

Fiberglass Splinting System

ORTHO-GLASS® is a cost-effective splinting system of choice for every phase of immobilization. Features Interlocking Performance Technology (ILP). ILP eliminates the risk of delamination, ensuring a strong, durable splint.

- Eliminates risk of delamination
- No wrong side application
- Easy stretch padding covers all edges
- Roll form eliminates waste
- Full educational support system - workshops, in-services, manuals, wall-charts, videos

Actimove® Shoulder Support

Extra Pocket for Optional Hot/Cold Pack

- Pain relief and healing are supported through balanced warmth and medical compression
- Comfort and good breathability through neoprene-free performance material
- Extra pain relief when optional hot/cold therapy pack is placed in build-in pocket
- Supports and protects the shoulder while allowing flexibility
- Adjustable chest and arm closure for a custom fit
- Can be worn left or right

	REF/BNR	Size	Measurements	Color	UOM
	7557310	S	31.5 in - 41.5 in	Black	1 ea
	7557311	M	41.5 in - 51 in		
	7557312	L	51 in - 61 in		

Actimove® Mitella Comfort

Comfort Arm Sling

- Easy to apply, adjust or remove with one hand thanks to the hook and loop Y-Tabs and open and-close pocket design
- For good patient wearing comfort, reduced neck pressure though the 5.5 cm wide and stable sling replacing a separate neck pad
- Helps to relieve pain by stabilizing the shoulder joint and keeping the flexed elbow in a pocket which limits the range of motion

	REF/BNR	Size	Measurements	Color	UOM
	7281961	S	< 37 cm	Blue	1 ea

	7574230	Universal	11 in-15 - .75 in	Black	1 ea

Actimove® Elbow Support

Adjustable

- Enjoy sports, as pain relief and healing are supported through balanced warmth and medical compression
- Comfort and good breathability through neoprene-free performance material
- Quick and easy to fit with slip-on design and individually adjustable straps
- Can be worn left or right

	REF/BNR	Size	Measurements	Color	UOM
	7561730	Universal	7.5 in - 12.25	Black	1 ea

Actimove® EpiSport®

- Provides support for Epicondylitis, Tennis Elbow, and Muscle Strain
- Dual action compression works simultaneously to treat lateral and medial epicondylitis (forehand and backhand tennis elbow)
- Comfortable shock absorbing liner helps wick moisture away

	REF/BNR	Size	Measurements	Color	UOM

	7347004	XL	11.75 in - 13.5 in		

Actimove® Wrist Stabilizer

Removable Metal Stay, Left or Right

- Anatomically shaped stay for secure stabilization, managing sprains and strains
- Pain relief and healing are supported through balanced warmth and medical compression
- Comfort and good breathability through neoprene-free performance material
- Stabilizes wrist through an anatomically shaped removable stay for left and right hand application
- Quick and easy to fit with slip-on design and individually adjustable straps
- Special comfort in a premium soft material and seamless design
- Can be easily worn under clothing due to low profile
- Can be worn left or right

	REF/BNR	Size	Measurements	Color	UOM
	7572931	S	5 in - 6.25 in	Black	1 ea
	7572932	M	6.25 in - 7.5 in	Black

Actimove® Thumb Stabilizer

Extra Stays

- Anatomically shaped stays, managing thumb injuries, keeping finger dexterity
- Pain relief and healing are supported through balanced warmth and medical compression
- Comfort and good breathability through neoprene-free performance material
- Stabilization of the thumb through two integrated anatomically shaped stays
- Comfortable to wear because of premium quality soft material
- Firm and adjustable wrist support from powerful elastic strap
- Full finger movement and hand dexterity from special open design

Actimove® Rhizo Forte

Thumb Orthosis

- Improved design for optimized fit and comfort around the thumb
- For everyday wear, as wrist and fingers are free to move while the thumb is effectively restricted
- Provides excellent fit and high comfort by customizing anatomical shape
- Individually adjustable to the palm by molding the aluminum core
- Maximum wearing comfort thanks to the open, low-profile design

Actimove® Knee Brace

Adjustable Horseshoe, Simple Hinges, Condyle Pads

- Hinged knee sleeve for extra stability, adjustable horseshoe for improved patellar tracking
- Pain relief and healing are supported through balanced warmth and medical compression
- Great comfort with exceptional breathability through quick drying perforated performance material
- Neoprene-free, made with COOLMAX® AIR technology
- Manage knee pain from soft tissue and ligament injuries through extra stability with medial and lateral hinges
- Optional patellar support with an adjustable horseshoe
- Stays in place with improved fit through elastic hook and loop support strap
- Easy application with convenient finger-loops
- Improved patellar tracking through increased pressure by adjusting the horseshoe either inferiorly, superiorly, medially or laterally
- Can be worn left or right

	7627858	Universal	Black	1 ea

Actimove® GenuMotion Knee Support

Knee Support

- Helps pain relief, as the support offers stability through the anatomical shape and the 3D flat-knitted structure, providing gradient medical compression and a secure fit
- Contributes to pain relief and healing by reducing edema, through targeted pressure and an intermittent massage effect thanks to the anatomically shaped circular pressure pad
- For more wearing comfort especially designed soft, smooth Motion-Comfort-Zone that helps to prevent wrinkling in the popliteal area
- Anti-slip for pressure-reduced distal and proximal cuffs without an elastic band preventing constriction
- Added stabilization with great mobility thanks to the lateral spiral stays
- Skin-friendly and breathable 3D knit using OEKO-TEX® certified combination of yarn materials

Actimove® PowerMotion Thigh Support

- Aids pain relief and enhances healing by stimulating blood circulation through the unique Y-shaped strap design providing additional adjustable compression
- Helps to reduce edema and enhances pain reduction by simulating taping techniques normally used for strains and fiber ruptures of the calf muscle
- Promotes injured thigh muscle regeneration by controlling its elongation through targeted compression and Y-shaped straps
- Comfortable to wear over the highly sensitive injured area thanks to the specially designed 3D flat-knitted Pressure-Relief-Zone
- Secure fit due its anatomical shape and adjustable straps. Fast and easy to apply for the patient when compared to professional taping techniques, thanks to the individually adjustable closure strapping system

Actimove® Ankle Stabilizer

Criss-Cross Straps

- Simulating sports taping, increased stability for ankle and arch of foot
- Enjoy sports, as pain relief and healing are supported through balanced warmth and medical compression
- Great comfort with exceptional breathability through quick drying performance material
- Neoprene-free, made with COOLMAX® AIR technology
- Increased stability around the ankle and arch of foot with criss-cross straps simulating sports taping
- Stays in place during athletic activity with extra support from circular strap
- Can be worn left or right

	7561130	Universal	8 in - 10.5 in	Black	1 ea

Actimove® Patella Strap

Adjustable

- Targeted patella pain relief that stays in place
- Enjoy sports, as pain relief and healing are supported through balanced warmth and medical compression
- Comfort and breathability through quick drying perforated performance material
- Neoprene-free, made with COOLMAX® AIR technology
- Targeted pain relief by increased pressure on patella tendon from the high density EVA shaped insert
- Stays in place under activity due to silicone dot lining
- Adjust the level of support, for comfort no matter the activity
- Can be worn left or right

4.2 TRANSPARENT DRESSING WITH ABSORBENT PAD

Leukomed® T Plus

Transparent, Total-Island Dressing with Absorbent Non-Adherent Pad

- Waterproof and barrier to bacteria
- Easy to apply with the unique red stripe system
- Should clinical conditions allow, the dressing may remain in place for up to 7 days

REF/BNR	Dressing Size	Wound Pad Size	UOM
7238200	2 in x 3 in	1 1/8 in x 1.5 in	50/box

7238205	4 in x 13 3/4 in	2 in x 11 3/4 in	50/box

4.3 WIDE AREA FIXATION

Leukoplast® Hypafix®

Wide Area Fixation

- Secure, rapid fixation that is excellent on contoured parts of the body, can be used as **Turf-Tape**
- Entire wound dressing is protected against contamination
- Convenient cut-to-size roll eliminates unnecessary waste

REF/BNR	Size	UOM
7193921	2 in x 2 yds (5 cm x 2 m)	36/box
7193919	4 in x 2 yds (10 cm x 2 m)	12/box
7193920	6 in x 2 yds (15 cm x 2 m)	12/box
7144301	2 in x 11 yds (5 cm x 10 m)	24/box
7144302	4 in x 11 yds (10 cm x 10 m)	24/box
7144303	6 in x 11 yds (15 cm x 10 m)	24/box

Elastomull®

Elastic Gauze Bandage

- High density fabric for a soft, rich texture
- Performance and stretchability to help control bleeding and edema
- Precision fit in areas with constant movement
- Helps prevent slippage once bandage is in place

REF/BNR	Size	UOM / Case
Non-sterile		
0209400	1 in x 4.4 yds	20 rolls
0209500	2 in x 4.4 yds	20 rolls
0209600	3 in x 4.4 yds	20 rolls

Leukomed® Sorbact®

Post-Operative Dressing with Sorbact® Technology

- Transparent and waterproof film with its wound contact layer coated with Sorbact® Technology
- Sorbact® Technology binds, inhibits, and removes hydrophobic bacteria utilizing a physical mode of action, without releasing active substances into the wound
- Reliable adhesion that is breathable and shower-proof
- Absorbent wound pad for low to moderate wound exudate
- Can be worn for up to 7 days depending on the clinical conditions of the wound
- For low to moderate exudate
- Sterile and not made with natural rubber latex

REF/BNR	Size	UOM
7619935	2 in x 3 in	50/box
7619936	3 in x 4 in	20/box
7619937	3 in x 6 in	20/box
7619938	4 in x 8 in	20/box
7619939	4 in x 10 in	20/box
7619940	4 in x 12 in	20/box
7619941	4 in x 14 in	20/box

Cover-Roll® Stretch

Conforming, Adhesive Fixation Bandage

- Stretchable non-woven polyester material adapts well to body contours, can be used as **Turf-Tape**
- Highly conformable to contour to all parts of the body requiring flexibility
- Secure fixation

REF/BNR	Size	UOM
4554700	2 in x 2 yds	36 rolls/case
4554800	4 in x 2 yds	12 rolls/case
